

ATLANTIC CONTAINMENT LLC Limited Warranty

Provided that the following conditions are satisfied, Atlantic Containment LLC (sometimes hereafter referred to as “Atlantic Containment”) warrants the tank against failure due to defective materials & workmanship & is free of leaks upon installation by original purchaser.

Conditions to Warranty Effectiveness:

1. Tank must be (a) the original above ground installation within the United States of America; (2) installed & tested at the jobsite in accordance with attached installation instructions & all applicable federal state & local regulations.
2. This limited warranty is not valid unless & until the tank is tested for leaks at the jobsite before being placed into service. No warranty claims will be honored before this time.
3. To permit Atlantic Containment to fulfill the terms of this limited warranty, the purchaser represents & agrees that, upon discovery of a suspected tank failure or leak covered by the warranty, the purchaser shall give written notice thereof sufficient to permit Atlantic Containment to inspect the tank.
4. Atlantic Containment obligations under this warranty shall be limited to option; (a) repair of the original tank; or (b) delivery of a replacement tank of approximately the same size. Design & quality of material & workmanship as the original tank. Atlantic Containment shall not be liable for; (a) failure of the piping system connected to the tank; (b) labor or other installation costs of any replacement tank; (c) any loss of profits, indirect, incidental, special, consequential, or other similar damages; nor (d) any leaks or defects arising from damage in transit, improper handling, or improper installation. Cutting or welding on this tank will void this limited warranty. In no event, whether as a result of breach of contract or warranty, alleged negligence or otherwise, shall Atlantic Containment be liable for personal injury.

THE FOREGOING LIMITED WARRANTY IS THE ONLY WARRANTY MADE. NO OTHER WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, AND ALL WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PURPOSE WHICH EXCEED THE AFORESAID OBLIGATIONS ARE HEREBY DISCLAIMED BY ATLANTIC CONTAINMENT AND EXCLUDED FROM THIS AGREEMENT OF LIMITED WARRANTY.

Atlantic Containment assumes **NO** responsibility for tanks that have **NOT** been **RETESTED**, improperly retested, over-pressurized or improperly installed.

TESTING: This tank has been manufactured & tested in accordance to the Underwriters Laboratories Standard 142 Steel Aboveground Storage Tanks for Flammable and Combustible Liquids, and Underwriters Laboratories Standard 80 for Steel Inside Tanks for Oil Burner Fuel. These tanks meet NPFA 30 & 30A codes.

Note: Shipment of the tank can create defects through vibration & handling which were not present during the testing process. Due to these circumstances, national & state codes require the tank to be retested prior to installation. Consult your local fire marshal and/or building inspector for details.
